

Cambridge International Diploma in Business

Tutor Support Guides

Aimed at centres delivering these Diplomas through face-to-face instruction or training, Tutor Support Guides are available for this Diploma. Combining advice on teaching the syllabus and classroom strategies, this guide will be essential reading for anyone new to teaching the Cambridge International Diploma scheme.

Written by syllabus consultants and examiners, with an emphasis on student-centred learning this guide contains:

- a range of learning activities and ideas
- a scheme overview, including pointers on learning strategies
- a digest of each module, highlighting key terms
- a comprehensive glossary
- specimen papers and mark-schemes for examined modules
- resource lists

The pack provides a photocopiable resource for centres, produced in a ringbinder.

The guide is available to order from the CIE Publications Catalogue.
