

A Noise

Some people like to live quiet lives; others are used to much more noise.

Discuss the issue of noise with the Examiner.

You may wish to consider such things as:

- how noisy a person you think you are
- whether you live in a quiet or a noisy place
- what you regard as acceptable and/or unacceptable noise e.g. noise from animals, loud music, children playing, traffic
- how you might resolve an argument between a quiet and a noisy neighbour
- noise pollution: the effects of too much noise.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.
