Instructions

This timetable contains a full list of all exams for the June 2017 series. This is the final version of the timetable. Please note there may be some changes from the provisional timetable. You can view the timetable by week or by syllabus.

Any time for candidates to read through question papers and to study maps etc. is already included in the total time shown in the timetable. You must not allow any additional time.

Planning your timetable and Key Times

Exams must be taken in the morning (AM) or afternoon (PM) session as shown on this timetable and in accordance with the Key Time regulations. There is one Key Time for the morning (AM) session and a second Key Time for the afternoon (PM) session. Your Key Times can be found on the Key Times page of our website at www.cie.org.uk/keytime

All candidates entered for exams in a session must be under Full Centre Supervision at the Key Time. If Centres timetable exams after the Key Time, candidates must be kept under Full Centre Supervision from the Key Time until the candidates start the exam. If the candidates have already completed the exam before the Key Time, they must be kept under Full Centre Supervision until the Key Time.

For further details about our Key Time and Full Centre Supervision regulations please see section 4 of the *Cambridge Handbook*.

This timetable has interactive features which work best in Adobe Reader 9 or Adobe Acrobat. You can download the latest Adobe Reader for free at www.adobe.com/products/reader.html

Communicating timetable arrangements to candidates

Centres are responsible for making sure candidates know:

- The start and finish time for each exam
- Any necessary supervision arrangements
- Any updates to the timetable

Any updates to this timetable will be published on the timetables page of the CIE website (www.cie.org.uk/timetables), and will be shared with you in our monthly Cambridge Exams Officer eNewsletter. Visit www.cie.org.uk/examsOfficers to find out more about this important resource.

Visit CIE Direct (<http://direct.cie.org.uk>) to download your Centre's timetable which only includes the syllabuses you have made entries for.

Timetable clashes and deviations

Please study the final timetable and identify any potential timetable clashes. You should wait until you have submitted your entries and received your timetable clash report before applying for a timetable deviation. For further details about timetable clashes and applying for a timetable deviation please see section 1 of the *Cambridge Handbook*.

Where there is more than one paper in a single session

If a candidate is entered for two papers which are timetabled for the same session they may have a fully supervised break between the two papers. The regulations regarding Key Time and Full Centre Supervision must be followed – for further information about these regulations please see section 4 of the *Cambridge Handbook*.
